⚠ VARNING ⚠

• Små barn kan strypas av öglor bildade av draglinor, band och inre linor som används för att manövrera produkten.

De kan även råka vira linor runt halsen.

• För att undvika att barn stryps eller trasslar in sig ska linorna hållas utom räckhåll för små barn.

• Flytta sängar, barnsängar och andra möbler bort från solskydens linor.

• Knyt inte ihop linorna.

• Kontrollera att linorna inte trasslar ihop sig och bildar en ögla.

Installera och använd säkerhetsanordningar enligt installationsanvisningarna på produkterna för att minska olycksrisken.

Enligt EN 13120

UK

⚠ WARNING ⚠

• Young children can strangle in the loop of pull cords, tapes and cords that operate window coverings.

They can also wrap cords around their necks.

• To avoid strangulation and entanglement, keep cords out of reach of young children.

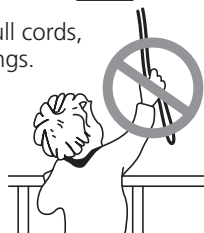

• Move beds, cots and furniture away from window covering cords.

• Do not tie cords together.

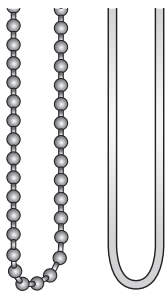

Make sure cords do not twist and create a loop.

• Install and use the included safety devices according to the installation

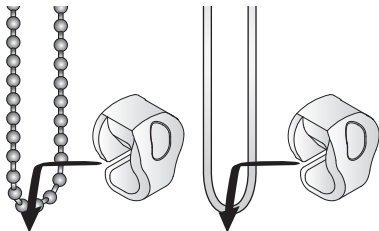

instructions on these device to reduce possibility of such an accident.
